Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Following the publication of The Second Comforter: Conversing with the Lord Through the Veil in 2006, I have been asked on occasion to speak or present papers to various gatherings. This series, together with the Restoration Edition of the scriptures that were canonized in September, 2017, all of the books I have written, and my complete blog and podcasts, constitute the complete body of work that has been presented publicly thus far, with additional material planned to be compiled into additional volumes as it becomes available in the future. This volume covers the first eight talks and papers I gave from 2007 through 2013 - essentially everything that came before the ten 40 Years in Mormonism lectures that began in September, 2013. Those ten lectures will be contained in the second volume of this series. Additional volumes are planned that will contain everything given from 2014 through today, and into the future as the Lord allows. It is important that we preserve and make available to everyone all that the Lord has...
